Responding to  
Presidential  
Objectives

NEW ITEMS (Continued)

5. Economic Intelligence

Secretary Shultz in a memorandum to the DCI spells out his perception of the intelligence role of his Office of National Security. Among other matters, there is a potential conflict between role for which Morell is seeking support and that of soon-to-be-selected economic NIO. Briefing memo from Gen. Graham to DCI and reply to the Secretary have been drafted, being coordinated with D/OER, and D/DCI/NIO. [redacted]
